Trees and Flowers Forever Program

Trees are an important part of the landscape here in Pine Hill Cemetery. Most of the trees that are planted here have been donated to the cemetery. In order to focus on providing the necessary services to the community at affordable prices, we are seeking to maintain donations of both new tree plantings as well as donations for trimming and maintenance of existing trees. We are asking you to be a part of this program. Any donation of \$25.00 or more will be recognized in our Memorial Chapel. We have listed a few trees of choice for ideas on what kind of tree to plant if you desire to donate for planting. This by far is not a complete list, but one put together based on maintenance, size and cleanup of leaves, needles etc. Perhaps you have a different tree in mind. If so let us know, as there are many possibilities of plantings. Perhaps you are interested in flowers and would like to make a donation toward a particular flower garden. Together, as a community, we can maintain this cemetery as one of the best maintained cemeteries in the Quad City Area and remain the most affordable, focusing on providing the caring service affordable to everyone. Together, we can make Pine Hill "A Place of Memorable Beauty" for generations to come. *See next page for ideas of cost and sizes. Many options are available.*

? Yes I would like to contribute to the Trees and Flowers Forever Program in the following way.

Name _____

Address _____

City, State, Zip _____

Phone _____

? Enclosed you will find a check for \$_____. This is in Memory of _____
Tree of choice is _____

? Enclosed you will find payment of \$_____ to be applied toward a tree maintenance fund.

? I would like to contribute \$_____ to be applied toward flower gardens. My choice of flowers is ? annuals ? perennials

? I would like to contribute \$_____ for a concrete flower planter. In memory of _____

Average tree cost:

1-1/2 inch diameter of tree trunk for deciduous trees \$150 - \$200.00 each

5 – 6 ft. tall Evergreen \$200- \$300 each

Small memorial plaque next to tree \$100.00

Concrete flower planter

30" x 17" \$450.00

24" x 17" \$350.00

Planters keep flowers away
from wildlife and help with
maintenance.

Small Memorial plaque next to
Planter \$100.00

Benches are also available. Place next to a tree to garden. Not able to set at grave sites unless used as a headstone.

Bench prices start at \$700.00

Autumn Blaze Maple

Fast growing, brilliant red fall color. Develops a dense oval shape with strong branching. 40-60 ft. tall with 40-60 ft. spread.

Colorado Blue Spruce

A pyramidal shaped evergreen with steel blue foliage. Drought tolerant. 30-60 ft. tall with 10 -20 ft spread.

Douglas Fir

Pyramidal in shape with dark green or bluish needles. Good ornamental tree. 50-60 ft tall with 20-30 ft. spread.

Red Maple

Rounded to oval crown. Red flowers in dense cluster in spring with orange/red foliage fall color. 40-60 ft tall and 40-60 ft. spread.

Eastern Redbud

Small ornamental tree, rosy-pink blossoms in spring. Heart shaped leaves with yellow fall color. 20-30 ft. tall with 15-30 ft. spread.

River Birch

A handsome tree for estate, parks, golf courses and others. Light reddish brown cinnamon bark that peels and flakes. Dark green foliage turning yellow in fall.
