Celebrating a loved one's life is an opportunity to express thoughts and feelings and also brings a sense of peace to those in attendance. For those choosing cremation there are still many options including whether you want to choose a viewing or visitation and memorial or prayer services.

In addition, you have many choices regarding the final resting place for cremated remains. Families can choose to place the urn in a columbarium, bury the urn in a family plot or cemetery or keep it in another place of personal significance, such as the home or garden. Finally, subject to some restrictions, cremated remains can be scattered by air, over the ground or over water. Grave markers, monuments and urn vaults are other considerations.

When choosing an urn there are many options including various metals, cloisonné, marble, stone, and wood. In addition there are natural and biodegradable options. And many of these can be personalized with names, dates and other words of inspiration.

Many families are also choosing to honor their loved one via art glass or keep them close with fingerprint jewelry, keepsake pendants and other keepsakes. And often those items are shared with all family members or attendees of your service.

We will answer your questions, assist in designing the service, and will oversee every detail for you. Whichever type of service you choose, it will become a tribute to your loved one and a great comfort to family and friends.

Urns:

Begin by choosing an urn for your loved one. We offer a wide selection of styles and materials, many of which can be personalized.

Pages 4-37 and 49

Vaults:

Keep your cherished loved one's urn within one of our wide selection of vaults. Urn vaults are an excellent way to protect the urn when placed in a cemetery and are required by most cemeteries.

Page 38

Keepsakes:

If you plan to bury the urn or scatter the remains of your loved one, a keepsake is a great way for each family member to keep a small part of them close. Often keepsakes are shared with all family members to remember your loved one and to celebrate their life.

Pages 5, 9, 13, 15-17, 20-25, 27, 29, 37, 40-43, 45-48

Tiles and Markers:

These markers and porcelain tiles are a beautiful and long lasting way to memorialize your loved one. Made from solid granite and kiln fired porcelain, your loved one will be forever remembered with these timeless materials.

RANDY KOUFALIS

Master sculptor and mold maker Randy Koufalis, has over 25 years experience in sculpting and design. He was born in Vancouver, British Columbia where he continues to reside. Randy blends old motifs and traditions with his own unique style to create both functional and decorative works of art and inspiration. He laboriously builds every mold that is used to reproduce all of our original pieces. These urns are a stunning celebration of artistry and imagination, captured in stone, timeless for all to enjoy. The concept and design process of each piece begins long before any actual sculpting takes place. Most of our designs come from our interpretation of architectural elements found in our environment. Hours of research, both technical and historical, go into every piece we design. Initial concept sketches are compiled and modified and prototypes are completed. Using these rough 3-D models as references, we begin the creative process of turning our models into finished sculptures. Our products are completely hand made and hand painted by a very talented team of artisans. Each piece is made of actual re-constituted stone, taking great pride in making sure the quality of our products is unsurpassed.

Metal Collection

A Metal Urn is not only a perfect choice for both traditional and non-traditional tastes, but is also a perfect choice because of its timelessness and durability.

WHAT IS RHODIUM?

Rhodium is a hard silvery white and durable metal that has a high reflectance and does not normally form an oxide. Rhodium finds use in jewelry and for decorations. It is electroplated on white gold, platinum, sterling silver and brass to give it a reflective white surface and in order to strengthen the metal from tarnish.

Additional fees apply for artwork cleanup, repair, combining of multiple subjects and removal of backgrounds.

Keepsake Collection

Many families are choosing keepsakes for family members and dear friends as a way to celebrate a beautiful life well lived and to always keep a small part of their loved one close. Many urns have their own keepsake (shown throughout) and there are many other beautiful options.

Art Glass

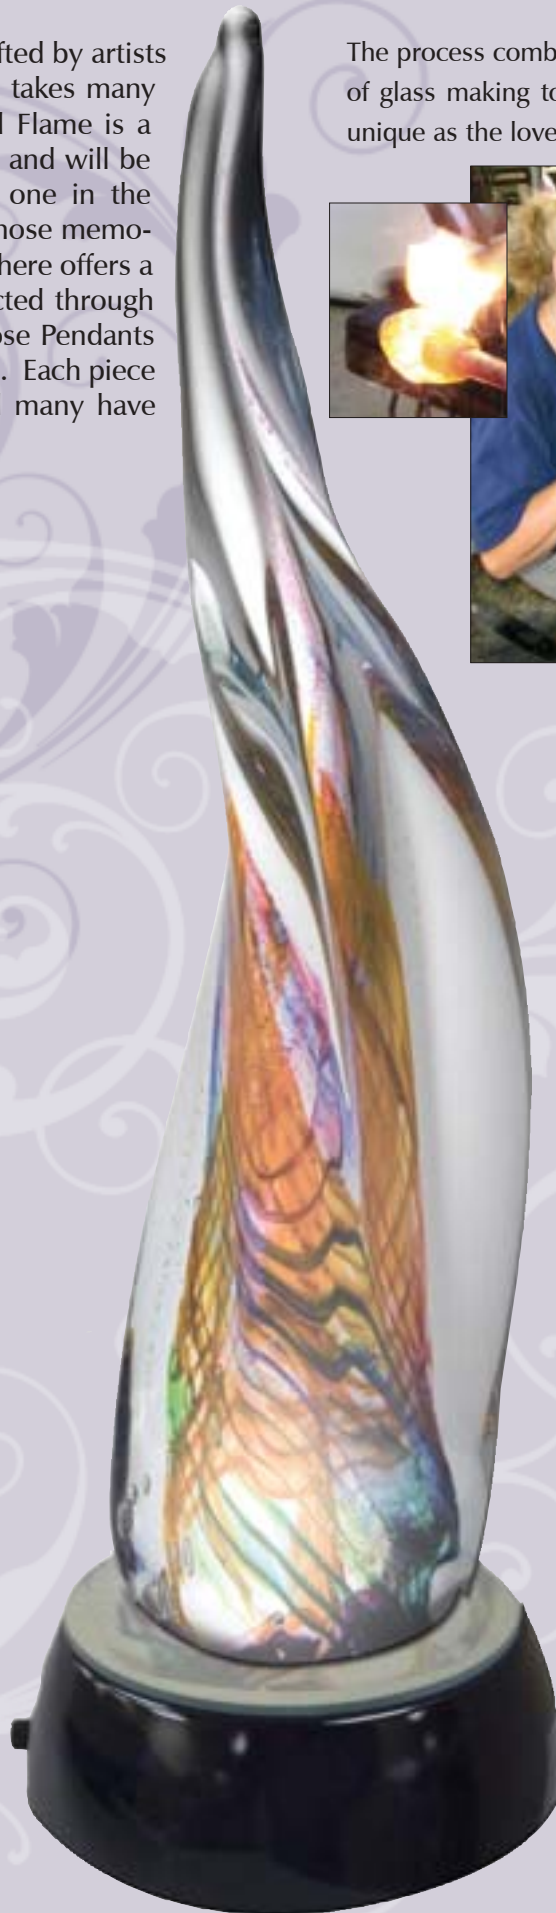

This beautiful Art Glass is individually hand-crafted by artists with many years of experience and each piece takes many careful hours to complete. The unique Eternal Flame is a stunning piece that can be up to 22 inches tall and will be an exquisite way to memorialize your loved one in the home. The Forever Heart is designed to keep those memories 'forever in your heart.' The breathtaking Sphere offers a special remembrance of a cherished life, reflected through form, color, and light. Many families also choose Pendants for each member to have as personal keepsakes. Each piece can come in one of four color selections and many have room for an engraving.

The process combines cremains with the art of glass making to create a piece that is as unique as the loved one it memorializes.

ETERNAL FLAME

Keep the torch of their memory lit forever with the Eternal Flame. Three heights and four colors to choose from.

FOREVER HEART

*A million times we needed you,
A million times we cried,
If love alone would have saved you,
You would have never died.*

*In life we loved you dearly,
In death we love you still,
In our hearts you hold a place,
No one can ever fill.*

*Some may think you are forgotten,
Though on earth you are no more,
But in our memory you are with us,
As you always were before.*

*It broke our hearts to lose you,
But you did not go alone,
A part of us went with you, The day God
called you home.*

*Your precious memories are for keepsakes,
with which we never part,
God has you safely in His keeping,
We have you Forever in Our Hearts.*
